Dear Parents:

The students will be participating in their Field (Fun) Day on Friday, May 8th, 2020. During this time the students will be participating in a variety of physical activities that will revisit many of the learning objectives taught this year. As many of you already know, Fun Day is an excellent opportunity for you to volunteer. I am asking for your help to make Fun Day a successful event by volunteering your time to participate as a Station Director/Assistant. During this time, you will help the students participate at your specific station assuring that the activities are fun, enjoyable, and safe.

WHAT VOLUNTEERS MAY NEED: Please arrive (20) minutes prior to the Fun Day (morning/afternoon session) you are assisting with to allow time for placement.

Water Bottles- WEE will provide volunteers with bottled water to keep you hydrated! 😊

Bring a lawn chair- This will be valuable for taking a few seconds to rest.

Wear Sunscreen- This will help protect your skin from the sun.

WHAT YOUR STUDENT MAY NEED:
- Water bottle- Students should bring some type of container to use for HYDRATION.
- Hat/Visor- This will be valuable for keeping the bright sun out of their eyes and off of their face.
- SUNSCREEN (waterproof) - Students should protect their skin from the sun. Parents should apply this prior to them coming to school, as MCS staff are not allowed to apply it at school.
- Hand Towel- This is used to clean off face or hands in the event they become dirty (names on towels).
- Clothing/Tennis Shoes- Please have your student wear clothing/shoes that you are less concerned about getting dirty. Also, avoid white T-shirts as they become see-through in the event they become wet during activities. Tennis shoes must be worn during field day or your child will not be allowed to participate, no exceptions. (No keens, flip flops, water shoes, crocs, or bare feet).
- Due to the water activities please send a change of clothes, shoes, towel and a plastic bag to put wet clothes in afterwards (K-2 students).
